

VALUE OF VOLUNTEER TIME

25%

For every dollar FEMA spends on public assistance, the state must contribute 25% (non-federal cost share)

This can cost state and local governments tens of MILLIONS of tax dollars in times of disaster. HOWEVER ...

The value of volunteer hours and donated goods can be counted as non-federal cost share, thereby saving MILLIONS in state and local tax dollars! BUT ONLY IF ...

The value of volunteer hours and donated goods are PROPERLY DOCUMENTED
